

White Plate Flat Trackers

Since 1980

According to Hoel

Here in Sturgis there have been a few changes. Below is a Gypsy Short Track schedule. Note the 1/2 mile is at noon on Aug. 5th, at the fairgrounds. I understand the Vintage half mile guys are going to have one or two events at the fairgrounds also, but no confirmation on their dates as yet.

Problems have sent me to the street to find a suitable place to host our *WPFT breakfast meeting*. Several considered, and eliminated.

We have settled on "THE BOULDER

CANYON CONVENTION CENTER" It is next door to the new *Holiday Inn Express* at the I90 Deadwood/Sturgis Exit. It will be \$7.50 per plate for sausage, bacon, scrambled eggs, cinnamon rolls, English muffins, juice, coffee and milk. We will meet on Thursday, August 7th at 9:00 AM. We have use of the meeting room all morning and parking won't be a problem. In case any of you have questions or need further directions give me a shout at 605-347-4209.

I've checked with some of the local larger campgrounds and they indi-

cate that the Rally should be "numbers as usual" Gas is higher but many share expenses with buddies if they are RV'ing and the bikers seem un-concerned. Already many many bikes stopping thru town.

HOPE TO SEE YOU'ALL AT BREAKFAST!

I'd like to thank Jack for doing the leg work to find a suitable location for the breakfast meeting. Hope the higher gas prices don't keep you away. I'm looking forward to seeing many of you there as I call the meeting to order.

We will be missing **Bill Felton**. I'm sorry to let you know Bill passed away Dec. 26th 2007. Our condo-

lences to his family. If you won't be able to attend and have some news or items of interest drop an email to Kari (kannenball20j@aol.com) as I don't enjoy email or fooling with the computer. So to be sure we get the message...send it to her.....

Thanks and see ya there.

For many of you it has been years since you have seen the WPFT monument in Sturgis. Even though you can't read each

name in our small newsletter you get the idea of the panels and how it pays tribute to those supporting and partici-

pating in the organization. It is lighted at night, and during the rally many stop by to observe and take pictures.
