## A new generation

Let me introduce you to the "new voice of flat track". A young buck with old timer ties. Launched into his own racing career by his dad Ed, and grand dad Dan, a third generation racer is now a first generation announcer. Our WPFT member Scottie Deubler started announcing various Monster Truck and Arenacross now graduated to National Flat Track races. He is the excited and exciting infectious announcer

doing interviews as well as the "play by play". Here is a short note from Scottie.

*Hey WPFT'rs !*

*2009 looks to be an exciting year for me. March came really fast. I flew to Daytona this year. It was a little different than the past. I have been to Daytona Bike Week plenty of times. Most of them I would be throwing on my leathers and steel shoe. This year I went to Daytona to "Work". Mike*

*Kidd, with the new DMG/AMA, called me in January and asked if I would be interested in Announcing the entire AMA Grand National Flat Track Series. I was honored to go to Daytona and put on the blue AMA Official Shirt. Daytona was Awesome! The racing was great both nights. Henry Wiles looking very strong on the 450 Kawasaki winning the first night and Smokin'*

over

*Joe Kopp completing the Grand Slam of dirt Track (winning a Mile, Half-Mile, TT and Short Track) on the second night. The next event will be Springfield which is a double header again this Memorial Day week end.*

*There is a lot of buzz going around the news of the races coming up during the Sturgis Rally and Races. I am hearing that there will be a Hot Shoe National at the Sturgis Short Track on Monday night. The big bikes come out for the Black Hills Harley Davidson Grand National half mile in Rapid City on Tuesday night. I am also hearing there is a Big Money Sturgis Half miles on Wednesday. I Can't wait for the first week in August. See you all at the Races!*

*Scottie Deubler #43*

*I just talked to Al Burke and he is healing up pretty well from his most recent knee surgery. He said to tell you all "thanks" for the cards, letters, and phone calls.*

*Over the Memorial Day week-end, I took in the National Dirt Track races at Springfield. Your'e never disappointed in the racing at the mile or TT. However for an ole guy like me, I can't get over seeing all these kids winning races that were born after 1985. My wallet is older than that. I listened to Scottie Deubler announce the races and doing interviews. I can say first hand he does a very nice job. Enthusiasm and knowledge make a fine package.*

*I leave the computer thing to the wife, but I can find my way to the newly designed WPFT page.*

*See you in Sturgis*
